BUITENZORG

Coach House
Drive straight up the wooden gates and immediately to the right is a driveway to the Coach House. There is enough space for several vehicles here.

Pool Villa
The villa is a little further up on the right as you drive up the driveway through the wooden gates. Once you have unloaded your bags, please always park your vehicle directly outside the gym (the front door is adjacent), there is enough space for two vehicles.

Vineyard Cottage
Drive straight up to almost the very top of the driveway and you'll see a small space to park to your left (next to a lovely Lilac tree). The path to the cottage leads from here. There is enough space for two vehicles here.

Your hosts John/Sharon will welcome you, and once you have unpacked, we will store your empty luggage away for you if you'd prefer.

Please may we kindly ask that you avoid parking on the main gravel driveway where the small round fountain is (simply because our teenage daughter is learning to drive!). However, if you have guests visiting you, they are of course very welcome to park there.
